

Can I pay down my principal to reduce my monthly payments?

Last Modified on 05/04/2023 2:55 pm EDT

We love making homeowners happy—and what better way than to help you save money throughout the life of your loan?

If you want to lower your monthly mortgage payment and have the means to make additional payments toward your loan principal, a **mortgage recast** might be a great option for you. Check out our FAQs below to learn what a recast involves, how it can help you save now and long term, eligibility requirements, and the process from start to finish.
